Here are some examples for you to choose from:

"Ostinato: a short, repeated pattern"

"Steady Beat: the heartbeat of the music"

"Rhythm: a group of long and short sounds and silences, all mixed up together"

"Pitch: how high or low the sound is"

"Dynamics: how loud or soft the sound is"

"Duration: how long or short the sound is"

You can copy one of the above examples, or, you can choose a different music word. If you choose a different word, just make sure the spelling and definition are both correct (use the internet). Have fun!

Parents, feel free to email me with any questions.
